UniScent

Fragrance Harmony for a fresh scent-sation

A smelly room is a dirty room. That's the way guests judge your facility. The challenge is, some strong odors just can't seem to go away. Now iCLEAN has a solution to remove odors for good before they turn away your guests.

Uniscent uses more than air freshener to eliminate odor problem, because odors come from carpets, upholstery and other surfaces as well.

Each UniScent theme offers a complete range of products to clean bathrooms, glass, hard surfaces, carpets and furniture. That way, we take odor away from all possible sources using one fragrance theme to create a **fresh scent-sation** and total **guest satisfaction**.

Fragrance Theme

Fresh Green

Floral Magic

Air Frezz

A truly fresh scent that your guest will love. Great for freshening up a room or maintaining that smell of clean.

Say goodbye to smoke odors and hello to a natural floral smell with Floral Magic. Never worry about converting smoking rooms again.

All-in-One Cleaner & Disinfectant

Cleaning has never been simpler. Glass cleaner, all purpose, bathroom cleaner and disinfectant in one?? Your staff will love the convenience and results.

Get rid of smoke odor particles on hard surfaces for a complete solution to smoke odor problems. Using the same floral scent, Floral Magic All-in-One complements your room's fragrance theme.

Furniture Care

Put the finishing touches to impress your guests by using Fresh Green furniture Polish for your fine furniture. It's the details that makes the difference.

Even wooden furniture gets special attention in your smoke-free program. Clean off odor particles and leave a natural shine to create total guest satisfaction.

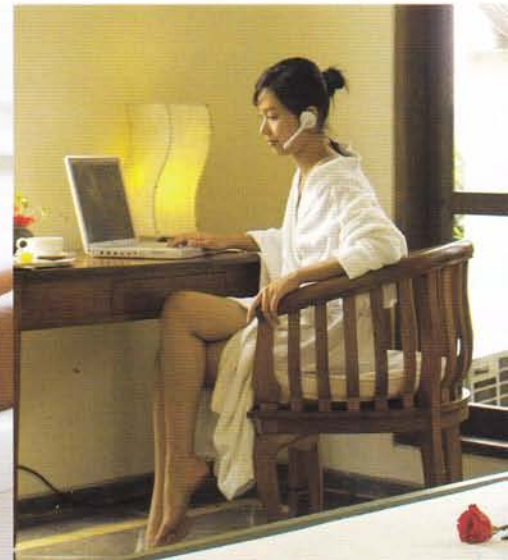

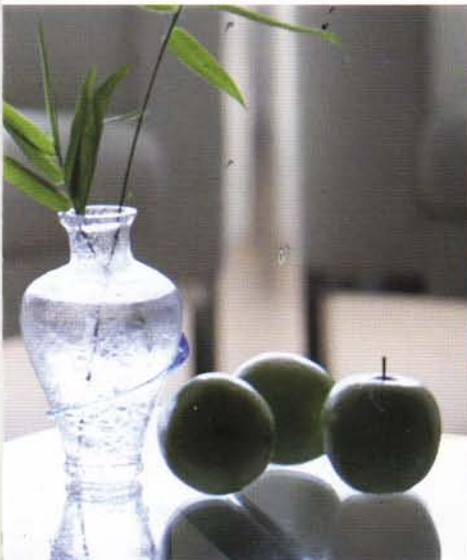

Carpet Care

Musty smell are caused by odor and mildew particles inside textile fibers. Eliminate musty smell with this cleaner and replace bad odor with a great Fresh Green scent.

Smoke odors hide inside carpet and upholstery. Remove odor particles completely and let the guest feel your smoke-free environment all around the room.

Knowledge +

iCLEAN knows it takes **MORE** than training for a successful housekeeping program. That's why we customize our support to suit the needs of your operations by offering :

SOP (Standard Operating Procedure)

Customized Cleaning Manual (SOP) based on the standards of BSCAI (Building Service Contractor Association International)

OJT (On the Job Training)

On the job training will help your staff understand cleaning cycles, cleaning procedures, problem solving and product usage.

Product Selection

A wide range of products from room cleaning to public area is available. We customize our advice to your needs to give you the best products to suit your operational conditions.

**CleanSafe truly is the answer to your dreams. It's simple, effective, and easy to implement.
Your staff will love the simplicity and your guests will love the results.
What more can you ask for?**
